NOTES

- Power mechanisms allow you to smoothly recline to any position and adjust the headrests with the touch of a button.
- Two power buttons allow you to operate the reclining and headrest mechanisms independently. A single USB port is included on each power button control.
- The 64PH console features two cup holders and a storage compartment.
- Safety locks prevent gliding furniture from gliding while reclining.
- Removable backs allow for easy lifting and maneuvering through doorways.
- This LiveSmart™ performance fabric is combined with a performance finish for extra durability, longevity, and easy cleanup.

Home Button

A Home button is included on power headrest styles. The Home button returns the headrest and footrest to their original positions.

Dimensions are in inches and are subject to variance. Options and features are subject to change without notice.
