NOTES

- Power mechanisms allow you to smoothly recline to any position and adjust the headrest with the touch of a button.
- Two power buttons allow you to operate the reclining and headrest mechanisms independently. A single USB port is included on the power button control.
- A removable back allows for easy lifting and maneuvering through doorways.

Home Button

A Home button is included on power headrest styles. The Home button returns the headrest and footrest to their original positions.
